Global MX-5 Cup Car Technical Service Bulletin #03-28-2019B

Optional: Global MX-5 Cup donor / core ND1 and ND2 transmission interchangeability

This TSB describes: You can now purchase directly from Mazda, the donor transmission ND2 part number (ND2 = M604-03-000 at racer price of \$1352.64 versus ND1 = M602-03-000 at a racer price of \$2999.40) which Long Road Racing will then convert into a “single GMX-5 transmission” (the sealed transmissions are exactly the same in both the ND1 and ND2). At today’s pricing, there is a cost savings to you of over \$1,600.00
