Regarding: Pit Lane Speed Limiters for ND.1 and ND.2 cars competing in the Battery Tender® Global Mazda MX-5 Cup

The series has made the Pit Lane speed limiter mandatory starting at the next event in Mid-Ohio. Teams and drivers can order the units directly through Mazda by calling or ordering online. The total cost for each unit is listed below as well as optional steering wheel push button holders.

Prices and part numbers for units:

- ND.1 GMX5 Pro racing price is \$470.40 p/n 0000-08-PITL
- ND.2 GMX5 Pro racing price is \$470.40 p/n 0000-08-D233

Optional Steering wheel single or dual button holders are available from Mazda as well:

- Single Button p/n 0000-10-5660-1B \$20.00.
- Dual Button p/n 0000-10-5660-2B \$28.00.

Note: Installation instructions are available at www.longroadracing.com
